

Dear River Gate parents,

This letter is to alert to an extraordinary family program we have scheduled for Friday October 28th in the evening, called *Zelnik's– Capture the Magic* Show. It's an exciting program filled with music, fun, audience participation and lots of amazing magic. It will be a fantastic night for the entire family, children,... their parents,... and kids of all ages!

Several years ago, we enjoyed a similar family night program and we are excited to offer this all new show for our school families.

Greg Zelnik, who presents the *Zelnik– Capture the Magic* show has been performing magic full time for more than 10 years and has entertained literally hundreds of thousands of people all over the South East. He has been seen on Speed Street in Charlotte and has is regular at the Waxhaw Township Festivals and libraries all over North and South Carolina and Virginia. Cub Scout Blue and Gold banquets have been using Zelnik to make it a truly unforgettable evening. Zelnik is also an accomplished corporate entertainer. Audiences both young and young at heart have enjoyed the comedy and have been amazed by the magic that are apart of every show. Everyone walks away feeling great because of tremendous amount of fun that they just had.

Zelnik will first present his *Inspiring Children to Succeed* magic show for the students, a remarkable educational experience. Then two days later he will present his *Capture the Magic* show on the River Gate stage Friday October 28th in the evening. The program will be presented on a ticket sale basis. Magic shows of this caliber sell in excess of \$75 per ticket. Through this unique program, tickets to this show will be only \$11.00 or \$7.00 (with a dry goods food donation) in advance. Tickets will be sold at the door for \$12.00 or \$8.00 respectfully. A family pass can be purchased for \$30 for families of 5 or more.

QUALITY LIVE ENTERTAINMENT AT LESS THAN THE PRICE OF A FIRST RUN MOVIE AND YOU ARE HELPING YOUR SCHOOL AND THE COMMUNITY ...

ALL AT THE SAME TIME, a truly win-win-win situation. Tickets will be available soon, and since seating is limited, I know that you will want to reserve space for your family and friends now!

Your PTA is sponsoring this program and profits will go to add reading materials for the classrooms. Worth while evening and a worth while cause. I strongly urge you to attend what will probably be the most unique evening of this entire school year.

Thank you for your support and see you there!

Sincerely,
Kimberly Odom
