

Dear River Gate parents,

Last week we sent you a letter about our upcoming Family Night program, *Zelnik's—Capture the Magic* show. Today we saw an assembly that certainly lives up to its name and more! Our students' responses were enthusiastic to say the least. They laughed, and had a great time enjoying the good clean fun, while learning and being inspired to read.

Friday evening, October 28th will be Family Enrichment Night for us, when Zelnik returns to present a program for the families that is completely different from the assembly he presented for your children today. His brand new show features music, illusions, comedy, and one of kind magic, all with lots of audience participation. A positive and worth while evening, especially for the parents and the children our River Gate "family."

Talk with your children about their experience today, you may be surprised at what you hear. I know you will be amazed at what you see on our Family Enrichment Night! Parents have said, "it was a great show!", "I laughed so hard my checks hurt", "headliner entertainment for the whole family".

Your PTA is sponsoring this event, with profits going to add reading materials for the classrooms. I urge you to get your tickets now. All tickets are only \$11.00 (or \$7.00 with any dry food donation) in advance or \$12.00 and \$8.00 respectfully at the door. A special family price is also available for families of 5 or more and is only \$30. Buy your tickets early as Zelnik will only be at our school for just this one night and seating is limited.

Due to the anticipated response, we may have to schedule two family night presentations for Friday evening. In this case, the first show will start at 6:00 and the second show will start at 7:30. The show will be identical and will last approximately one hour and ten minutes, in time to have the children home and in bed early. All of the first show must be sold before tickets are available for a second show.

Buy now you must know this show is for the entire family, and we heartily recommend that your children be accompanied by you, their parents.

This program will start at 6:30 (or 6:00 and 7:30 if there are 2 shows) and will last a little over an hour and will be held in the multi purpose room. THANK YOU FOR YOUR SUPPORT. You will be glad you were there!

Sincerely,

Kimberly Odom
